

RACE DRIVER IN COLLISION.

Arthur Chevrolet, 3522 Kenwood avenue, an automobile race driver, collided with a man who gave his name and address as Fred Spring, 1837 Talbott avenue, in an automobile accident at St. Joseph and Delaware streets, last night. Spring was injured slightly when a piece of a broken windshield cut him in the chin. Witnesses told Bicyclemen Schlangen and Shooan that Chevrolet was not responsible for the accident. The police were told that Spring became excited and lost control of his automobile. Chevrolet was driving south on Delaware street and Spring was driving east on St. Joseph street when the accident occurred. The automobile driven by Spring was damaged slightly. The police, being unable to find Spring's name in the City Directory, were of the opinion that he had given an assumed name.
